Roman Ivanov

Certified Software Developer Specializing in Web Development

📞 5123161 ✉ roman.ivanov.dev@gmail.com 🌐 https://justenough1.github.io

Summary

I am a certified software developer with almost a year of experience in web development and design. My proficiency in programming languages and problem-solving techniques was acquired through a four-year vocational school education. I am committed to continuous growth and development, and to the creation of innovative websites and software products.

Work experience

Additional info

In my free time, I prefer to spend time with my loved ones or playing the guitar. I also enjoy cycling and occasionally go for rides in the city or nearby areas.

I value good relationships with colleagues and strive to create a positive and productive work atmosphere. My main qualities are responsibility and a commitment to delivering high-quality work.
